ISU SAVMA VISION

"To represent all the students at ISU CVM, provide engaging lectures, promote the AVMA and organized veterinary medicine, promote servant leadership, provide transparency to its members, foster and cultivate a positive environment, build partnership and collaboration with all clubs, faculty, staff and other programs within the college."

OCTOBER SAVMA HILL'S BEHIND THE SCENES AWARD WINNERS

Audrey Wojtkowski, VM3: Audrey has been doing a phenomenal job managing her club executive positions with Diagnostic Imaging Club, Small Ruminant Club, Internal Medicine Club, being a company representative for Purina, and managing the CVM Club Calendar on top of that! All the while, she maintains a positive attitude and often is there to make her classmates laugh.

Calli Morris, VM1: Calli is a fantastic study nerd who has been working hard to put together many study/review sessions. She actively seeks input on how she and the other study nerds can adjust the sessions to appeals to as many learning styles as possible. She also makes sure review session materials are timely available to those who were unable to make it to that session.

MESSAGE FROM THE DEAN

Last week, I attended the AVMA Economic Summit. There was a lot of great information shared, but one of my favorites was a presentation by leaders from the VIN Foundation whose purpose is to provide tools to support financial, physical and mental well-being of our veterinary community. Visit <https://vinfoundation.org> to learn about some of the great resources available.
