SAVMA and College News for Vet Med Students  
November 12<sup>th</sup>, 2018 • Volume 2 Issue 8

## ISU SAVMA VISION

*"To represent all the students at ISU CVM, provide engaging lectures, promote the AVMA and organized veterinary medicine, promote servant leadership, provide transparency to its members, foster and cultivate a positive environment, build partnership and collaboration with all clubs, faculty, staff and other programs within the college."*

## FUN FACT FACULTY THURSDAY – 11/15

**Facts:** At least one of my ancestors arrived in what eventually became Massachusetts in the mid-1600s. Before going to vet school, I was qualified to teach K-12 Music in the New Jersey public school system. At one time, I was helping raise 6 children who were living in my house. My favorite aspect of vet med involves a dynamic body system.

**Options:** Dr. Ware (2038 Vet Med), Dr. Carnevale (1581 Lloyd), Dr. Millman (2201 Lloyd)

**Last FFFF answer (11/2):** Dr. Ward

## MESSAGE FROM THE DEAN

*Why Diversity Matters* – As scientists, we know that genetic diversity makes for a stronger species and biodiversity make for a stronger ecosystem. Diversity allows for more rapid adaptation compared to a monoculture. Now substitute team, committee, group, organization or profession for species or ecosystem....I think you have your answer.

## UPCOMING EVENTS

- **Donuts with the Dean:** Thursday, November 15<sup>th</sup> @ 7:30 AM, GDC
- **SAVMA Santa Paws:** Saturday, December 1<sup>st</sup> at Treats on a Leash, 11 AM – 1 PM
