SAVMA Pet Food Bank

The SAVMA Pet Food Bank is up and running! We made our first donation to the SHOP last week! (If you are interested, the SHOP is a student run food bank on main campus that is open to anyone! Here is their website if you want more information: <http://www.theshop.stuorg.iastate.edu/>) Check out The Pet Food Bank at our Facebook page:

Please think of the Pet Food Bank this Thanksgiving and consider helping us with our mission of feeding pets in need! We are in need of dog and cat food. We are especially in need of dry cat food. If you are interested in being on the pet food bank committee or volunteering (STG points), please contact Rachel Stika at rstika@iastate.edu.
